# Success Uwazie

Aba, Abia state | 08163254519
uwaziesuccess02@gmail.com

## Summary

Innovative, Forward-thinking Front-end developer with a strong foundation in JavaScript, HTML, CSS, React, and Bootstrap. Enthusiastic about creating cutting-edge, responsive web apps that improve user experiences. Eager to foster growth through teamwork, contribute to vibrant teams, and offer innovative ideas that have significant impacts. I'm prepared to use my skills to expand my expertise and achieve success in a fast-paced, encouraging setting.

## Experience

### RAD5 Tech Hub | Abia, Aba
**Front End Web Developer Intern | 06/2024 - 11/2024**

- Developed responsive and visually appealing web pages using HTML, CSS, and JavaScript.
- Collaborated with designers to transform wireframes and mockups into functional user interfaces.
- Built reusable components and dynamic features leveraging React and Bootstrap.
- Gained hands-on experience with version control systems like Git for collaborative development.
- Assisted in maintaining and testing the front-end functionality of ongoing projects.

## Skills

HTML 5, CSS, React.js, Bootstrap, JavaScript, Communication skills, Problem Resolution, Teamwork
